

Pareto Securities

Pareto Securities is an independent full service investment bank with a leading position in the Nordic capital markets and a strong international presence. Pareto Securities is headquartered in Oslo, Norway, with more than 410 employees located in 15 offices in 11 countries. Our team in Copenhagen consists of 14 dedicated employees working within Corporate Finance and Securities Trading.

With an intensive focus on financial products, particularly high yield bonds, Pareto Securities has built its leading position in the Nordic market. Today Pareto Securities offers a wide range of Corporate Finance services including Debt Capital Markets, M&A advisory and Project Finance within Real Estate, Shipping and Infrastructure.

To support the continued growth of our Danish activities and to strengthen our Corporate Finance capacities, Pareto Securities is looking for an ambitious and talented investment banking analyst to join our team in Copenhagen.

Pareto Securities AS, Copenhagen Branch
Sankt Annæ Plads 13
1250 Copenhagen K
Denmark

Investment Banking Analyst

Profile:

- Solid academic results (among the best in your class)
- A fundamental understanding and interest for the capital markets and in particular credit markets
- Experienced MS Office user (especially PowerPoint and Excel)
- Studying BSc in Business Administration, Economics or similar on your second year/4th semester
- Excellent communication skills in English (oral and written). Full mastery of one of the Scandinavian languages is a requirement
- Strong analytical skills and a detail oriented approach to all deliveries
- Is not going on an exchange programme during their 5th semester

The job:

- You will be part of the Corporate Finance team. You will primarily be focusing on debt solutions but will also gain experience from other areas within the organization
- Supporting with coordination and various administrative tasks on an ad hoc basis
- In addition, you will assist the corporate finance team in: 1) valuations and credit analyses of corporations, projects and properties. 2) preparation of financial models, information memorandums and other presentations (including pitching material)
- You should expect a typical working week of 15 hours, but the workload will increase during peak periods and likewise flexibility will be provided during exam periods

Pareto Securities offers:

- The opportunity to learn and develop your financial skills and understanding
- A dynamic working environment that offers a unique opportunity to get hands-on experience of the financial industry
- An insightful job in a flat organization, where personal initiative and professionalism will be rewarded
- A position within a professional organization with ambitions to grow substantially in the years to come
- Over time the right candidate will experience increased responsibility and become a more integrated part of the Corporate Finance team. Once graduation of a master degree has been achieved the candidate may be offered a full time position
