

Pareto Business Management (PBM) is a leading manager of real estate and shipping investments in the Nordics, managing a portfolio of commercial real estate with a total value of approx. NOK 50 billion. PBM is an integrated part of the Pareto Group, which currently employs more than 500 professionals across 15 offices in 11 countries – of which 20 are situated in Copenhagen.

## Project Manager – Pareto Business Management

Since Pareto was founded in 1986, structuring and management of real estate investments has been a central area of business. Pareto Business Management supports the transaction team in the initial structuring and execution of new investments, and manage investments until divestment. The PBM team comprises more than 40 specialists across the Nordic countries within the fields of commercial and technical management, tax, finance, corporate law and accounting.

To support the continued growth of our Danish real estate activities and strengthen our platform, we are looking for a talented and structured Project Manager to join our team in Copenhagen.

### Profile:

- Holds a Master's or Bachelor's degree with an emphasis on Corporate Law, Finance or Accounting
- 3+ years of relevant experience within e.g. Corporate Law, Investment Management, Finance or Accounting
- Prior work experience within real estate from an investment company, law firm or construction company is an advantage
- A well-structured and detailed-oriented approach to all tasks, thereby ensuring timely delivery of high-quality services
- Excellent communication skills in English (oral and written)
- Fluent in one of the Scandinavian languages
- Experienced in MS Excel

### The job:

- Securing professional and well-structured management of new investments and established projects
- Supporting the transaction team with due diligence as well as the initial structuring and execution of new investments
- Coordination with legal, technical and tax advisors
- Responsibility for established projects, including relations with investors and debt providers
- Representing Pareto in large-scale development projects
- Semi-annual preparation of market reports to support Pareto's secondary trading platform
- Budgeting and financial controlling

### PBM offers:

- A social work environment providing flexibility and a high degree of freedom to structure your own work
- Responsibility for the management of Danish investment companies, offering a unique opportunity to get hands-on experience with the investment process from A to Z
- A challenging job in a flat organization, where personal initiative and professionalism will be rewarded
- A position within a professional organization with ambitions to grow substantially in the years to come
