

Disclaimer

The information on the investorweb is provided solely for general guidance and information purposes. It is not to be used or considered as financial or investment advice, a recommendation, an offer to sell, or a solicitation to buy any securities or other financial assets. The information on the investorweb is not an offer document. It should not be regarded as investment research or an objective or independent analysis of the matters contained herein, and it is not prepared in accordance with regulations governing investment analysis.

The information on the investorweb is obtained from various sources. We have taken reasonable care to ensure that, and to the best of our knowledge, material information contained herein is accurate and free of omissions that could affect its understanding. All valuation estimates or other estimates presented are prepared by Pareto or obtained from third parties as part of the management service for the companies included on the investorweb. These estimates are subject to risks, uncertainties, and other factors that may cause actual events to differ materially from any anticipated developments. We do not guarantee that the underlying forward-looking statements are error-free. Readers should not place undue reliance on forward-looking information, which depends on numerous factors, and must independently assess such projections. Neither the project companies nor Pareto make any representation or warranty, express or implied, regarding the accuracy or completeness of the information on the investorweb, and neither the project companies nor Pareto will have any liability to any other person resulting from the use of this information.

There may have been changes affecting the companies and the information on the investorweb subsequent to the date hereof. The contents of the information on the investorweb do not imply that the information contained is accurate as of any date subsequent to the date hereof or that the companies' affairs have remained unchanged. Pareto and the project companies do not intend to, and do not assume any obligation to, update or correct the information on the investorweb.

The information on the investorweb does not consider any specific investment objectives, financial situations, or the particular needs of any individual. The contents of the information on the investorweb should not be construed as legal, business, investment, or tax advice. Each recipient should consult their legal, business, investment, and tax advisors for such advice. Investors should understand that statements regarding future prospects may not be realized, and that past performance is not necessarily indicative of future results. All investments mentioned in the information on the investorweb carry the risk of loss.

The information on the investorweb may be subject to changes without prior notice. Pareto accepts no liability, whether legal or financial, for any loss (direct or indirect) resulting from the understanding and/or use of this information on the investorweb. It is intended solely for the recipients and should not be copied or otherwise distributed, in whole or in part, to any other person.

The information on the investorweb is governed by Norwegian law, and any disputes arising from it are subject to the exclusive jurisdiction of Norwegian courts.

Pareto Securities AS and Pareto Business Management AS are supervised by the Financial Supervisory Authority of Norway, while Pareto Securities AB is supervised by the Financial Supervisory Authority of Sweden.
