

Disclaimer

The information on the investorweb is provided for general guidance and information purposes only. This information is under no circumstances intended to be used or considered as financial or investment advice, a recommendation or an offer to sell, or a solicitation of any offer to buy any securities or other form of financial asset. Please note that this is not an offer document. The information on the investorweb is not to be considered as investment research or independent explanation of the matters contained on the investorweb, and is not prepared in accordance with the regulation regarding investment analyses.

The material on the investorweb is obtained from various sources. We have taken reasonable care to ensure that, to the best of our knowledge, material information contained herein is in accordance with the facts and contains no omissions likely to affect its understanding. All valuation estimates or other estimates presented are prepared by Pareto or obtained from third parties, as part of the management service for the companies included in the investorweb. The estimates are subject to risks, uncertainties and other factors that may cause events to differ materially from any anticipated development. Please note that we make no assurance that the underlying forward-looking statements are free from errors. Readers should not place undue reliance on forward-looking information, which will depend on numerous factors, and any reader must make an independent assessment of such projections. Neither the companies nor Pareto is making any representation or warranty, express or implied, as to the accuracy or completeness of the information on the investorweb and none of the project companies or Pareto will have any liability towards any other person resulting from your use of information on the investorweb or its content.

There may have been changes in matters which affect the companies and the information on the investorweb subsequent to the date hereof. Neither the issue nor delivery of the information on the investorweb shall under any circumstance create any implication that the information contained herein is correct as of any time subsequent to the date hereof or that the affairs of the company have not since changed. Pareto/the project companies do not intend, and do not assume any obligation to update or correct the information on the investorweb.

The information on the investorweb does not regard any specific investment objectives, financial situation or the particular needs of any specific person. The contents of the information on the investorweb are not to be construed as legal, business, investment or tax advice. Each recipient should consult with its legal, business, investment and tax advisors as to legal, business, investment and tax advice. Investors should understand that statements regarding future prospects may not be realized, and should also understand that past performance is not necessarily a guide to future performance. All investments mentioned in the information on the investorweb have attached risk of loss.

The information contained herein may be subject to change without prior notice. Pareto does not accept any form of liability, neither legally nor financially, for loss (direct or indirect) caused by the understanding and/or use of the information on the investorweb or its content. The information on the investorweb is only intended for the recipients, and should not be copied or otherwise distributed, in whole or in part, to any other person. Pareto reserves the right to change the information published on

the investorweb, the time of publication and the methods used to generate the information on the investorweb. Pareto gives no assurance that the information currently published will continue to be published in the future. The information on the investorweb is subject to Norwegian law, and any dispute arising in respect of the information on the investorweb is subject to the exclusive jurisdiction of Norwegian courts.
